The statement made in Wednesday's paper in regard to a resolution offered by Rev. Dr. Molloy of this city in the Synod of Kentucky "Southern" at Shelbyville Tuesday was taken from another paper. Yesterday afternoon from 4 to 6 o'clock Master Russell Dunbar was lavishly entertained by his fond parents and his intimate friends, the occasion being his twelfth birthday. The artistic mother had beautifully decorated the pretty home with pink roses, yellow chrysanthemums and stately variegated dahlias entwined and hung to the autumn hued leaves which just now are furnished in such exquisite colors painted by the hand of Nature.

The little lads and lassies profusely showered compliments on their little host, while he in turn had the merriment in games, dances and other delights which engaged in giving true charm to this innocent state in which these youngsters now find themselves. After growing weary with rollicking the march led the way to the dining-room where, refreshed and soothed, the eyes at first were pleased, and then falling to what these youngsters did to that feast was a plenty.

In the center of the table was a large cake surrounded with twelve candles emblematic of the years Master Dunbar had turned, and it was an inspiring sight to the guests to wish their host's life in all his future years to be as bright, sweet and inviting as the central ornament which blazed the reason for this auspicious gathering.

## LAST EVENING'S BLOW

It Did Considerable Damage in and Around This City

The storm that broke over this city last evening at 6 o'clock was about the most severe that has visited here this season. The wind was accompanied by rain, thunder and lightning, and made umbrellas useless to pedestrians who were unfortunate enough to have been caught in it.

The wind did considerable damage. A large limb blew off a tree in Forest avenue, falling across the electric light opposite Mr. Sam M. Hall's residence, wrecking it; a large limb blew across the light at Third and Court, but was cut out without doing any damage; a shade tree in East Fourth near Cherry alley was blown down, while fencing and shrubbery were tased about.

A fine apple tree in the yard of Mr. Roe Stephens in the Sixth Ward was blown down. Quite a number of telephones were burned out on the Mason County Mutual Telephone Company's lines, otherwise no great amount of damage is reported from the Washington neighborhood.

The little packet Daisy, having on board eight Kanawha river Pilots, had just left the wharf when the storm broke. She was caught by the wind and carried up the river at a terrific speed. At a point opposite the Sixth Ward landing she struck the bank and was driven out upon the shore. So scared were the men on board that they clothed themselves in the life preservers. The boat was driven so far out of the water that her pumps were out of reach, and the crew was compelled to carry water in buckets to feed the boilers. The ferry-boat Laurance went to their assistance and pulled the little craft off the bank. There was no damage whatever to the boat.

## A ROYAL SLAVE.

The Ashland (O.) Daily Press says—

"Practically every seat in the new Opera-house was occupied Monday night when the curtain went up for Gordon and Bennett's 'A Royal Slave.' The same would be true if the company should give Ashland a return date. 'A Royal Slave' is all it is advertised to be and more. Every member of the company is an artist. Gorgeous costumes, magnificent scenery and clever acting characterized every scene."

The receipts of their first engagement on January 8th, 1903, were \$198.25, and on their second engagement September 19th, 1904, were \$563.75.

## A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine whether it was wanted for a child or for an adult, and if for a child they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it and for coughs, colds and croup it is unsurpassed. For sale by all druggists.

There needn't be any such thing as "congestion" in the editorial sanctum as long as the waste basket is handy.

The seed sown by the sower in the parable couldn't have fallen into much harder ground than it struck in the Rockefeller's, as attested by the way they charge the poor for the light furnished them.

THERE does not seem to be water enough for a Democratic "tidal wave."

GREENUP has never had a Republican Congressman. Now is the time to vote for Judge JOSEPH B. BENNETT.

SOME of the Democratic spellbinders are terribly distressed about the empty dinner pail. They probably prefer the full kettle of free soup.

It seems hardly fair to blame Candidate Davis for not giving more to the campaign fund. Few men would give \$50,000 for nothing but a licking.

THE failure of the Cincinnati coal drivers' strike is another victory for the "open shop" movement. Every man ought to have the right to work for his living.

THE Democratic papers that are now paying tribute to Major McKINLEY were abusing him four years ago just as viciously as they are now assailing President ROOSEVELT.

It is difficult to convince even Democrats that Judge PARKER knows better what our policy should be toward the Filipinos than does Secretary TART.

CANADA has fixed November 17th as Thanksgiving Day. It would be a kindly act toward the Democrats if President ROOSEVELT would fix our Thanksgiving Day for some date prior to November 8th.

THROUGHOUT Indiana Mr. BRYAN seems to be drawing the usual circus crowd. At the conclusion of his speaking at Marion, twelve pocket-books, with their contents gone, were found near the Coliseum.

THERE is cheering news from the big Republican counties of the Ninth District. The party is united and active; and it looks like the next Congressman from the Ninth District will be Judge JOSEPH B. BENNETT of the town and county of Greenup.

AFTER a strike of two weeks and a loss of some \$6,000 in wages, about 240 coal wagon drivers have returned to work in Cincinnati. They wanted a trifling advance in wages, which the employers were willing to grant; and they demanded that the employers should recognize their Union, which the employers emphatically refused to do; and the employers further refused to discharge any of their present help in order to reinstate the Union men in their old places. Practically, the strikers got a whole lot the worst of it.

River News

A very slight rise is headed this way.

The low water prevents boats from getting off or on the Queen City Marine Ways.

There are millions of bushels of coal in the pools at headwaters, waiting to come South on the first rise.

The 30 Swedes sent from Chicago to Greenville, Miss., to replace roustabouts, only made a half trip on the steamer Belle of the Bends, then refused to work.

There is every prospect of the establishment of another packet line during the coming season in the Maysville trade by others than the present operators, and another boat will probably be put in the Pittsburgh trade.

Rivermen in view of the unsettled weather conditions in the Ohio valley, are hopeful of a substantial rise in the Ohio by November 1st. Packet boat owners have completed repair work and are anxious to open the fall trade.

GRADUAL DECLINE

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking

FOLEY'S KIDNEY CURE

as it stimulates the heart, increases the circulation and invigorates the whole system. It strengthens the urinary organs and gives you new life and vigor.

Chicago Business Man Cured

Foley & Co., Chicago, Gentlemen:—About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well.—J. K. Horn, 1354 Diversey Blvd., Chicago, June 11, 1902.

Cured His Wife

E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes: "My wife has been very bad with kidney trouble and tried several doctors without benefit. After taking one bottle of FOLEY'S KIDNEY CURE was much better, and was completely cured after taking four bottles."

One Bottle Cured Him

A. H. Davis, Mt. Sterling, Ia., writes: "I was troubled with kidney complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY CURE effected a permanent cure."

LAW BOOK FIND

Part of Library of Late Judge Henry Collings of Manchester

Wednesday, while on duty in the First Ward Policeman Senteney found a box of law books on the river bank near the C. and O. Depot, the find being chronicled in Thursday's LEDGER.

A special from Manchester says the books are a part of the law library of the late Judge Henry Collings, and were sold there last Monday to K. G. Thompson of Columbus, O.

How the box came to be on the river bank has not yet been unraveled.

Some Reasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy on hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by all Druggists.

World's Fair Tickets \$9.25. On Sundays, Mondays, Tuesdays, Wednesdays and Thursdays during the months of September and October the C. and O. will sell coach excursion tickets, Maysville to St. Louis, at rate of \$9.25. Beckham County Again Declared Unconstitutional in Court

In the cases of Zimmerman v. C. C. Brooks, and Carter County v. Brooks, in the Carter Circuit Court, Wednesday, which tested the constitutionality of the act passed by the last Legislature creating Beckham county out of parts of Carter and Lewis counties, George Gibbs, Surveyor, submitted his report of the survey of Carter, Lewis and the so-called county of Beckham, showing that Carter county, as a whole, contained 484 square miles and Lewis 5 square miles.

Brooks filed exceptions which were overruled by Judge S. G. Kinner.

GROVER FOR BUCHANAN

He Was Early Impressed by the "Mature, Undramatic and Experienced" Man.

Judge Parker Calls For the Votes of Young Men, Just as the Anti-war President Did.

[From the Philadelphia Press.] EX-President Grover Cleveland has contributed an article to the Saturday Evening Post urging young men casting their first vote to give it to Judge Parker, because when Cleveland was young and enthusiastic he was impressed and stimulated as a boy by the canvass of that "mature, undramatic and experienced Buchanan."

It is a good reason. We think Mr. Cleveland for it. He evidently looks on Parker as a sort of "mature, undramatic, experienced Buchanan."

Like Buchanan, Judge Parker always yields to party pressure. Just as Buchanan was reticent on the great issues of his day, but could always be trusted to vote for any man nominated, so Judge Parker has been silent and voted for Bryan twice. Buchanan was deep through many years in party politics. So was Judge Parker. He suits the South. Judge Parker is the southern candidate. Judge Parker is silent on the wrongs of the negro. So was Buchanan. Both were nominated because they had no record. Buchanan was called the "Pennsylvania Sphinx."

So with Judge Parker. Both have been irreverently called "mummies."

A "mature, undramatic, experienced Buchanan" is a very close definition of Judge Parker. He is, as his strong supporter and early sponsor suggests, that kind of a man and makes the appeal now Buchanan did then. Any young man who wants a Buchanan kind of president ought to vote for Parker.

He will see, as Grover Cleveland saw, when in all the flush, hope and enthusiasm of youth he went wholly, woefully wrong in his choice of a president at the very moment of the nation's crisis, at the instant and hour of ailing fate, a president who, to accept Grover Cleveland's parallel, will be a "mature, undramatic and experienced Buchanan."

What was Buchanan? A president weak, vacillating and timid—silent because he had nothing to say, and deemed by some "dignified" because he dared say nothing. His weakness led him into straits where he was only saved from being held a traitor because instead men held him irresolute, lucapable and without principle. No great cause appealed to him. No great crisis aroused. He, too, the "mature, undramatic and experienced Buchanan," was always talking of the "constitution" and dodging issues that called trumpet-tongued for decision by prating about the rights and powers of the states.

Solemnly we say to any young man meditating his first vote, accepting Grover Cleveland's definition and parallel, not ours: If you want the next president to be another "mature, undramatic, experienced Buchanan," with all that Buchanan was, vote for Judge Parker! He is that kind of a man, and, being so, he may be trusted to make that kind of a president.

The statement is made by the Chaplain-in-Chief of the Grand Army of the Republic that in the hospitals of Washington are 1,000 insane soldiers who returned from the Philippines. He declares their plight to be due to lack of Church work in the Army and Navy.

WHY PAY EXORBITANT PRICES FOR YOUR PLUMBING?

Don't Neglect Yourself.

1448 Second Street, Louisville, Ky., April 14, 1908.

I have been weak and sickly for the past four years, caused by irregular and careless habits regarding the laws of health, but about five months ago my condition became very serious. I had severe backache and suffered a constant dull pain in my head. I spent weary, painful days, and miserable, restless nights. The doctor told me that I must have patience.

His medicine did not, however, give me even temporary relief and as I had been told of the curative qualities of Wine of Cardui I decided to try it.

I found that it relieved me of pain. As my general health improved my other troubles were gradually diminished and after five weeks' use of the Wine of Cardui I was once more a well and happy woman.

## STEADILY STRIVING to RAISE the STANDARD!

With this end in view, we have brought on a full line of

# LUCE..... REDMOND

Mahogany Chairs, heretofore considered too fine for this trade.  
They are Crotch Mahogany, beautifully matched, superbly polished,  
designs and cabinet work fit for a King.

Nothing Is Too Good for a Kentuckian,  
Especially if He Lives in Mason County.

We are firmly impressed with the advisability of buying good  
furniture. That we are very persistent in our ideas is conceded  
even by our competitors. LOOK THROUGH THE WHITE PAL-  
ACE and be convinced of our determination to raise the standard  
of furniture.

### IS THIS SO?

Maysville People Can Decide

You would not accept the word of an utter  
stranger as readily as that of a person whom  
you knew. The following statement is made  
by a citizen, perhaps a neighbor. Read it:  
Mrs. Mary Kinsler of 362 East Fourth street  
says:  
"I sent a box of Doan's Kidney Pills, obtained  
at J. Jas. Wood & Son's Drugstore, corner of  
West Second and Market streets, to a relative  
living in the country who was much troubled  
with kidney complaint. The results obtained  
from Doan's Kidney Pills show that only terms  
of highest praise express the great curative  
properties of the medicine."

For sale by all dealers. Price 50 cents a box.  
Foster-Milburn Co., Buffalo, N. Y., sole agents  
for the United States.  
Remember the name—Doan's—and take no  
substitute.
